AISES

National Conference

Fundraising Ideas for the AISES National Conference

- Contact your Tribal government or Tribal community center to see how they can help you
- Contact your advisor or financial aid office to see how your school, college or university can help fund your trip
- Check in with a local professional chapter to see if they have funding
- Start a GoFundMe campaign and let others know how the AISES National Conference will benefit you
- Ask local businesses if they offer sponsorships or scholarships
- Ask any collegiate programs that you participate in to see if they fund travel

Do you have questions about fundraising for the National Conference?
